

Opportunities to improve life skills

Within Newland, individuals benefit from outcome focused support as outlined below:

Newland offers a comprehensive assessment to build a person centred approach to an individual's support package.

The staff team at Newland are trained & experienced to offer support in all of the above elements, enabling and empowering an individual to have more choice and control over their future aspirations.

POTENS

NEWLAND

- ◆ Registered Residential homes for people with learning disabilities and complex needs
- ◆ Encouraging self development in preparation for moving on
- ◆ Provides a homely environment for twelve people in two adjoining properties, 1 Newland Drive & 168 Wallasey Road
- ◆ Taking a person centred approach, encouraging independence & focused on outcomes for every individual
- ◆ Facilitates access to local inclusive community activities

Newland is close to the town centre and community activities of Wallasey. The service offers people with high support needs a package which includes individualised support & care, in a stable environment, aiding activities of daily living.

The skilled staff team benefit from training and guidance from Potens Behavioural Support & Therapy Team, accessing solutions to communication issues, daily living difficulties and any behaviour that challenges.

1 Newland Drive has 8 rooms, ideally for the older adult. Each spacious room is well suited to individuals who appreciate a quiet, settled environment to achieve their own goals.

168 Wallasey Road has 4 rooms, ideally for the younger adult. Each en-suite room is suited to complex individuals who would benefit from progression and learning new skills.

Support staff work closely with residents to ensure high levels of structured individual support to maintain progression & independence.
